Job Description: Lash Technician

We are seeking a skilled and detail-oriented Lash Technician to limelight our team in historic downtown Canton. Should have a passion for eyelash extensions and place emphasis on enhancing clients' natural beauty. With a strong working knowledge of our products, Technician should be proficient in proper application and removal techniques, with exceptional communication skills to ensure client maintenance success and satisfaction. Must have responsible care and respect for the safety and sanitation of clients, equipment, and other working staff.

The Dry Social Benefits:

- Build with our clientele while growing your own
- All tools, products, & supplies provided - just bring your talent!
- Small-group studio clusters, quieter work spaces & more intimate settings
- No chair fees!
- Offering a competitive 50% commission on appointments
- Flexible Scheduling options: Part Time or Full Time; Morning, Afternoon, & Evening shifts available
- Open on Tuesdays-Saturdays, from 8am-7pm, closed all day Sundays & Mondays
- No "big corporate" drama: you're professional and you're family

- Opportunity to showcase your work at year-round local events
- Be a part of a well-established and growing community!

Duties and Responsibilities:

Be punctual and welcoming to your appointments

Consult with clients to determine their needs and preferences for eyelash extensions.

Have etiquette and confidentiality with recommendations regarding client sensitivities

Customize lash extensions based on clients' eye shapes, preferences, and natural lashes.

Apply individual eyelash extensions using safe and hygienic techniques.

Educating clients on aftercare instructions to ensure longevity of eyelash extensions.

Promote and assist the selection of other salon services and retail products

Maintaining cleanliness and sterilization of tools and work areas.

Keeping up-to-date with industry trends and techniques in lash extension application

Build and maintain strong client relationships with excellent communication and service

Qualifications:

Proven experience as a Lash Technician or similar role.

Certification in eyelash extension application from a recognized training program.

Excellent eye for detail and precision in lash application.

Strong interpersonal skills and ability to build rapport with clients.

Ability to work flexible hours, including evenings and weekends, to accommodate client appointments

*****Certification from a recognized makeup school or program not required, but preferred**
